Project Number: NH 4701-95
Project Sub. 12651
C-470, I-70 to Morrison Road

I would like to thank Interstate Highway Construction, Inc. for their outstanding cooperation and teamwork during the reconstruction of C-470 between I-70 and Morrison Road.

Interstate Highway Construction, Inc. (IHC) and their subcontractors consistently produced high quality construction in a timely manner. IHC and the project team delivered an outstanding project ahead of schedule with minimal impacts to the traveling public. IHC should be very proud of their excellent work on this highly visible project.

I congratulate you for your commitment to providing quality construction and I look forward to working with you on future highway construction projects with the Colorado Department of Transportation.
