Re: DIA -7RPO1CSI-1 TransLogic Pneumatic Tube System
Parking Management & Revenue Control System

Dear Steve

Thank you for the kind words in your February 1st letter in regards to the above project. As you well know it takes very close cooperation and mutual respect between a general contractor and his sub-contractors to make a project successful. IHC without a doubt is one of the best contractors I personally have had the pleasure of working with in my 25+ years in the business.

As a personal note I would like to especially thank Steve VanOster for all his help and professionalism.

I would welcome the opportunity to work with Steve and IHC in the future.

Just to let you know I have relocated to Corsicana Texas. Corsicana is about 50 miles south of Dallas off I-45, near a great fishing lake (47,000 acres). If you're in the area look me up.

Sincerely

Paul Rasmussen
